

Instructions for filling out the Planning Council Membership Roster

Before the submission of your Membership Roster, please ensure you have adequately responded to the questions and they concur with your Planning Council By-laws:

Note: Most questions have a drop down menu of options, please click in the cell you want to respond in and the drop down arrow will present itself.

Name: Provide the name of the Planning Council (PC) member, with their permission. Please use an asterisk for self-identified members of the PC.

PC Position: Select the PC position that best reflect the PC member's role in the PC.

Agency Affiliation: Provide the name of the provider agency the PC member is an employee/affiliated

Gender: Select the gender that was self-reported for the PC member from the drop-down menu.

Race/Ethnicity: Select the race that best reflect the PC member from the drop-down menu.

Membership Category: Select the membership category that best reflect the PC member from the drop-down menu. However, there are three exceptions to the rule on separate representation:

- One person may represent both the substance abuse provider and the mental health provider categories if his/her agency provides both types of services and the person is familiar with both programs.
- A single planning council member may represent both the Ryan White Part B program and the State Medicaid agency if that person is in a position of responsibility for both programs.
- One person can represent any combination of Ryan White Part F grantees (Special Projects of National Significance (SPNS), AIDS Education and Training Center (AETCs), and Dental Programs) and Housing Opportunities for Persons with AIDS (HOPWA), if the agency represented by the member receives grants from some combination of those four funding streams (e.g., a provider that receives both HOPWA and SPNS funding), and the individual is familiar with all these programs.

Member Since: Provide the year the PC member became a PC representative.

Non-Aligned Consumer: For each PC member on the roster, place enter 1 for non-aligned and 0 for aligned.

Terms: Indicate how many terms the PC member has served on the PC

Instructions for filling out the Planning Council's Reflectiveness

Per Section 2602 (b)(1) of the Ryan White HIV/AIDS Treatment Extension Act of 2009 - the chief elected official shall establish or designate an HIV health services planning council that shall reflect in its composition the demographics of the population of individuals with HIV/AIDS in the eligible area involved, with particular consideration given to disproportionately affected and historically underserved groups and subpopulations.

Reflectiveness must be based on the prevalence of HIV Disease (AIDS Prevalence plus HIV Prevalence, real or estimated) in your EMA/TGA as reported in your FY 2017 application and Legislation.

Additionally, the HIV health services planning council shall include representatives as listed in Section 2602(b)(2)(A-M) of the Ryan White HIV/AIDS Treatment Extension Act of 2009

Note: the grant recipient must be able to demonstrate that the planning council is reflective of any disproportionately affected or historically underserved populations in the jurisdiction (ex: if MSM make up 60% of the jurisdictions infected population, the recipient must be able to demonstrate that this population is appropriately reflected in the planning council membership).

Please provide the most current HIV/AIDS prevalence in the EMA/TGA in numbers and percentage, including the following elements:

1. Race and ethnicity: by number and percentage of people living with HIV/AIDS, by Planning council membership and by non-aligned members of the planning.

2. Gender: by number and percentage of people living with HIV/AIDS, by Planning council membership and by non-aligned members of the planning.

3. Age: by number and percentage of people living with HIV/AIDS, by Planning council membership and by non-aligned members of the planning.

FY 2017 Part A Planning Council Membership Roster

Date the form was completed?								05-Sep-17
What is the total authorized/prescribed number of Planning Council members according to PC By-laws (minimum #)? <i>Per the By-Laws, the membership "shall consist of no less than the number of members required by the Ryan White HIV/AIDS Treatment Extension Act of 2009 and no more than the number mutually agreed upon by the Grantee and the Executive Committee". That number is currently 55.</i>								55
How many individuals are currently serving Planning Council members?								54
What is the # of vacancies, if any?								1
What percentage of Planning Council members are non-aligned consumers?								42%
Do at least two members of the Planning Council publicly disclose their HIV status?								Yes
Per the most current PC By-laws are there term limits?								Yes, for officers only there is a two year limit
Name (use an * to self-identify)	PC Position	Agency Affiliation	Gender	Race/Ethnicity	Membership Category	Member since?	Non-aligned (1 for yes; 0 for No)	Term(s)
Albert Mitchell	PLWHA Representative	N/A	Male	Black or African American	Affected Communities, including PLWH and historically underserved subpopulations	2014	1

Trevor Pearson*	Chair	N/A	Male	Black or African American	Affected Communities, including PLWH and historically underserved subpopulations	2008	1	Terms Ends 02/2018
William Francis	Member	N/A	Male	Black or African American	Affected Communities, including PLWH and historically underserved subpopulations	2012	1	
Total		54						

Comments (If you are not in compliance with Reflectiveness/Representation, please provide a detailed yet succinct narrative on how you plan to comply; in addition, please list the membership categories that are currently vacant): Efforts are underway to fill the mandated slot for "State Medicaid Agency" which has historically been difficult to fill.

Planning Council Reflectiveness

(Use HIV/AIDS Prevalence data as reported in your FY 2017 Application)
