[3] HIV Surveillance Unit, HIV/AIDS Epidemiology Program, Georgia Department of Public Health: database frozen June 30, 2019.

[4] HIV Surveillance Unit, HIV/AIDS Epidemiology Program, Georgia Department of Public Health: database frozen June 30, 2020. Data are still being cleaned, duplicates removed and missing variables captured.

[5] ACS 2018 Five Year Estimate (DPO5 and B01001B). Note, ACS numbers are estimates based upon distinct sections of the 2010 census. Imputed numbers may not total 100% and totals may differ depending upon the variables included.

[6] CAREWare

[7] Due to the incomplete nature of 2019 incidence data, relative increase was calculated using a comparison of 2018 and 2016.

[8] ACS analyzes race and Hispanic ethnicity separately. DPH and CAREWare include Hispanic as a category within Race/Ethnicity.

*Priority populations for FY2021
